### Vieser ja Vieser One floor drains

Eurofins Expert Services Oy has assessed the compatibility of Vieser floor drain with liquid applied waterproofing membranes for wet rooms. Assessment is based on watertightness tests according to standard EN 1253-1 or EAD 030352-00-0503. According to the test results, the following waterproofings with their connecting accessories together with Vieser and Vieser One floor drains meet the requirement for watertightness:

Waterproofing membrane	Flange	Manufacturer/Supplier
ARDEX 8+9	ARDEX STA 40 x 40 Vieser membrane flange	ARDEX Oy

Conditions of validity of the certificate:

Where reference is made in this certificate to any regulations, publications, standards or other documents, it shall be construed as a reference to such publication in the form of which it is in force at the date of this certificate.

The manufacturer is responsible for the quality and continuous quality control of the product. In granting this certificate, Eurofins Expert Services Oy does not accept responsibility to any person or body for any loss or damage incurred in respect of personal injury arising as direct or indirect result of the use of this product.

The use of the name of EurofinsExpert Services Oy or the name Eurofins in any other form in advertising or distribution in part of this certificate is only permissible with written authorisation from Eurofins Expert Services Oy.

This certificate is the English version of the original Finnish certificate No C73/99. In case of dispute, the original Finnish certificate is valid.
